To whom it may concern;  
I have been a patient of Dr Barbara Macdonald's for  
the past 10 years. She has helped me a great deal in many ways.  
She is very approachable and accessible. It would help me a great deal if this bill  
passes and she is able to prescribe more of my  
medications rather than having to try and contact other physicians and sometimes wait  
a long time.  
Thank you.
