

Melissa Berky

LD 975

I strongly oppose restricting abortion rights. I do not believe that any woman should be forced to continue a pregnancy prior to viability. At this point in time there is not a baby, nor an unborn human, nor an independent lifeform. All pregnancies belong entirely to the mother, and she has an absolute right to privacy. Later terminations of pregnancy are also a choice usually tragically because of serious malformations. Please oppose LD 975
