To the committee chairs, Senator Carney and representative Kuhn and distinguished members of The joint standing committee on judiciary:

As a woman residing in eastern Maine, I am extremely concerned about the seven anti-reproductive Healthcare rights bills that are being proposed. Please vote ought not to pass on LD 253, 682, 886, 887, 975, -1007, and 1154. I feel that these bills individually and in total sabotage women's Healthcare rights in Maine and represent a misguided strategy by the sponsors to undermine women's rights to privacy self-determination life and well-being.
