I am CJ Galbraith, at 232 Gus Moore Road, Penobscot; my email address is cjg3502@gmail.com and my comments are RE Support of LD531.

At a time when our federal government is pulling back resources previously earmarked for our state, our state government faces the enormous challenge of picking up the shortfall. In this environment, it is more imperative than ever for Maine residents to become more involved in working on behalf of our values - especially on the local level.

Other citizens have thoroughly addressed the value of the Toddy Pond/Alamoosook dams to our local community. To their comments I add that passing LD531 gives the local communities the opportunity to find a solution to this important problem in the very heart of where we call home. I STRONGLY urge your passing of LD531.
