

Carol Zahner
Walpole/ South Bristol
LD 253

I'm Carol Zahner of Walpole/South Bristol in Lincoln County. I'm 81 years old and lucky enough to have eleven brothers and sisters and last month I became a great grandmother.

In my late 20s, after having my 2 children, I was able to have a legal abortion. This was vital to my future and to my family.

I do not take having an abortion lightly. It is difficult emotionally. However, being able to have an abortion allowed me to have choice on how I'd lead my life and the well-being of my two children.

For all women, I wish the ability to make choices for themselves and not to have the will of someone else imposed upon them.

I oppose LD 253, 682, 886, 887, 1007, and 1154.

Thank you,
Carol Zahner
