LD 1220

Dear Senator Bailey, Representative Gramlich and honorable members of the Health Coverage, Insurance and Financial Services Committee,  
I am Ginger Browne Johnson and I'm a resident of Cape Elizabeth and I am submitting testimony in opposition of LD 1220, An Act Allow Chiropractors to Treat Dogs and Equids.

This particular bill does not always require a veterinary referral, includes no definition of animal chiropractic, and offers no accountability or enforcement mechanism for chiropractors without animal training who work on animals

Thank you for your consideration of this matter.

Ginger Browne Johnson, DVM, CCRP
