LD 1090

I URGE you to vote OUHT NOT TO PASS on LD1090, Resolve, to form a working group to address vacancies in municipal government management positions. WE DO NOT NEED ANOTHER AGENCY OR GROUP FORMED TO DO WHAT THE MUNICIPALITY NEEDS TO DO FOR THEMSELVES! There is already too much GOVERNMENT in our lives. The writers of the Constitution and the states ratifying it, wanted autonomy. In fact, Rhode Island held off until they gave all states that autonomy. We are "United" by our US Legislative, Executive and Judicial branches. They only step in when it involved country-wide issues. Our state government does not need to get involved in our town governing. The more the state gets involved the more we lose our freedom of self-government. It isn't broken, so don't "fit" it! Thank you!!
