I STRONGLY URGE you to vote OUGHT TO PASS on LD956, Resolve, Directing the Department of Transportation to implement the recommendation of the Calais branch rail use advisory council to create a multi-use trail. I have spent many wonderful hours on this trail from Machias to Perry. I have yet to get too far below Calais, but it is a wonderful trail. It is such a great idea to turn the old, discontinued railroad tracks into a recreational vehicle trail. The hard track makes it easy and fun, and the views are AMAZING! I have always wanted to go above Perry, which it seems this plan is about. It's a great way to give families an outing that they can enjoy together and keep an open trail between Ellsworth and Calais. It also brings people into the area to enjoy the stores, restaurants, and camping areas. A Win-Win! Please vote OUGHT TO PASS on LD956. Thank you!
