LD 958

To the Judiciary Committee:

I am writing in support of L.D. 958, prohibiting eminent domain taking of Tribal Lands. This bill is centuries late in happening, and finally it has become a possibility. Maine citizens want everyone, Wabanaki included, to be treated fairly and justly by the State. For too long the law has been unconscionably tilted against Indigenous people. This must stop.

I urge you to pass L.D. 958.

Sincerely,

Clorinda (Cloe) Chunn
