Hello, my name is Sophia Valdez. I have been on TANF for almost 5 years I'm pretty close. Roliza Dewitt is probably my 4th or 5th case manager. Without a doubt I'd like to say she is ultimately the best! Her professionalism is highly appreciated and she has always catered to my needs as if I am her only client. I've never had to ask her twice to do something or remind her to do anything at all where all my other case managers I would be asking on repeat to get my needs met. I would not exchange her for anyone in the world. She is the very best, take my word for it! I'm highly appreciative that she is my case manager and exists in this world. Thank you for your time, sincerely
Sophia Valdez
