

Danielle Marshall
Cornish
LD 676

As a resident of Cornish, I have used the Mountain Division Trails in nearby Fryeburg & Standish/Sebago area for running, biking, and walking my dog. With limited areas to safely do so in my hometown of Cornish, it would be a great addition to Cornish & Baldwin to have direct access to the Mountain Division Trail if it were connected between Fryeburg & Standish/Sebago Lakes area. I strongly support LD 676, to continue improvements and access to the Mountain Division trail for everyone. Thank you
