LD 958

This bill encourages collaboration, not conflict. If a project could truly benefit the public, the state, and the tribes, the state should work with tribal leaders to find a solution.

This is a step towards justice and fairness. The Wabanaki Nations should not be treated differently from other federally recognized tribes. This bill ensures fairness, respects sovereignty, and prevents future injustices. LD 958 restores a fundamental principle that the Wabanaki Nations are sovereign governments with inherent power to regulate their territories.
