WOOLWICH
LD 676

I oppose LD 676 to fund the removal of the Mountain Division Railroad. The State of Vermont is re activating the section between St Johnsbury and Whitefield NH. Conway Scenic RR has made the Mountain Division into a huge tourist attraction. Maines roads are all ready to crowded. This Rail asset could draw people to Down town Portland to ride a train to the White Mountains. Conway scenic has proposed to do this with no further funding from Maine DOT.
