LD 958

I am a proud Mainer today because I get to submit testimony in support of BI-PARTISAN BILL -LD 958 which clearly supports the Wabanaki and respects their sovereignty in a spirit of collaboration, not conflict, ensuring Wabanaki nations always have voice and prohibiting eminent domain on their tribal lands. LD958 amends MIA/1980 and 2023 Mi'kmaq Nation Restoration Act as a definite step towards justice and fairness. I urge the committee to vote ought to pass on LD 958.
