

Mary Royal
Winterport
LD 958

Good Morning Members of the Judiciary Committee,
As a citizen long concerned about tribal sovereignty I am writing in support of LD 958. American history is replete with violations of treaties and outright invasion of tribal lands. Let us not continue that practice. Please make Maine a leader in the seemly never ending quest to achieve justice regarding the rights of our Native Nations. Please vote Ought To Pass on this important bill. Thank you!
