

Bill Boles  
New England Mountain Bike Association  
LD 676

I am writing today to support LD676 - A bill to authorize a 12.26 mile expansion of the Down East Sunrise Trail from Ayers Junction to Calais

The New England Mountain Bike Association and its 7 local chapters, (Belfast Area, Carrabassett Region, Central Maine, Greater Portland, Midcoast Maine, Penobscot Region, Piscataquis County and Six Rivers), support this project.

The Mountain Division Trail's extension from Westbrook to Portland will enhance Maine's outdoor recreation experience, not only for our members, but for all of Maine's citizens.

We hope that you will endorse this legislation.
