LD 148

I URGE you to vote OUGHT TO PASS on LD 148, An Act to provide for the statewide popular election of the state auditor. I believe we should have the voters decide who they want as their state auditor. Now, the auditor is appointed by the very partisan Legislature. This should be illegal. We need the voters to decide who is watching over their funds and elections. If the auditor is picked by partisan process, i.e., the people in control of the Legislature like we have now, then there is bias in the selection. All the taxpaying voters should have a say, not the bias Legislature. Please vote OUGHT TO PASS on LD148 and let the voters have their say. Thank you!
