LD 452

I Urge you to vote OUGHT NOT TO PASS on LD452, RESOLUTION, Proposing an Amendment to the Constitution of Maine to Provide for the Popular Election of the Secretary of State and the Attorney General by Ranked-choice Voting. First and foremost, Ranked Choice Voting, RCV, does not work. It is convoluted and fraught with problems. No election using RCV has ever been easy, so it is much more costly to use. The people do not understand RCV, so they don't end up voting for who they want to vote for, or their ballot is voided. Even the people who run the elections don't understand it well and misunderstand and misrepresent the voter's wishes. Of all the states that started using it, only Maine and Alaska are still using it. It has become costly and cumbersome! People should vote for ONE person and ONLY ONE person! For timely, accurate and less costly elections!! I STRONGLY URGE you to vote OUGHT NOT TO PASS on this very troublesome LD452. Thank you very much!
