LD 1289

I VERY STRONGLY URGE you to vote OUGHT NOT TO PASS on LD1289, An Act to Amend the Election Recount Process. This bill reduces by half the percent of difference in count needed to invoke a need for a recount. I have to wonder why this bill is necessary. Very few elections, if any, are overturned. Even if they should be. Why do they want their hands on the ballots? There is an old say, "Many hands spoil the pot." I'm not sure what this extra legislation will achieve that we don't already do as a part of our elections. I am of a mind to be very suspicious of this bill. On the surface it doesn't seem to cure any known problem. So, "if it isn't broken, don't fix it!" Vote OUGHT NOT TO PASS on LD1289. Thank you.
