

Hannah Thanhauser  
South Portland  
LD 1351

My name is Hannah Thanhauser. I am Jewish. I live in South Portland. I was born in Swanville, Maine.

LD 1351 is not a bill about anti-semitism. It is a bill designed for the repression of free speech against Israel, a nation-state that stands against basic tenets of Judaism such as Tzedakah, making the world a more fair and just place.

In fact, LD 1351 in itself is anti-semitic: defining jews and judaism through zionism, a nationalistic movement. It would be akin to saying that an American is anti-american because they oppose slavery.

Laws and practices that are based on an ideology that are nationalistic at their base is what fueled the holocaust. Do not vote for LD 1351. It is dangerous and is a danger for free speech.
