LD 1356

I oppose LD 1356 “An Act to Change the State's Method of Allocating Electoral Votes from a Congressional District Method to a Winner-take-all Method Contingent on the State of Nebraska Changing its Method of Allocating Electoral Votes.”

Our current electoral vote system allows CD 1 and CD 2 to each have a voice in our Presidential elections. The existing system that has been in place since 1972.

I oppose LD 1356 and it “ought not to pass.”
