

Diane Moongrove
Augusta
LD 613

I want LD 613 to pass because I don't want to die in needless distress just because the timing of my death has to wait 17 days. I need LD 613 to pass because it will help ensure my peace of mind then and now, as it is one less thing to think about when the time comes. As an 80 year old, I need this peace of mind now.
