

Pamela Vose
OWLS HEAD
LD 1343

Committee Chairs and Members of the Committee:

My name is Pamela Vose and I am a resident of Owls Head, Maine.

I am testifying in opposition to LD 1343 - An Act to Protect the Right to Harvest Wildlife because in my opinion it is using another bill intended to address agricultural and personal food sources to sneak in language to limit the ability of landowners as well as regulators and legislators to limit hunting and trapping if they deem it necessary.

I thank you for the opportunity to voice my concern and hope that you will give it serious consideration.
