

Sue Stableford
Brunswick
LD 25

I strongly support LD 25, An Act to Authorize a General Fund Bond Issue to Fund Wastewater Treatment Facility Planning and Construction of Infrastructure Projects.

As a resident of Brunswick, I have experienced the PFAS crisis in our community, including the fear that PFAS are not adequately treated by current sewage treatment methods and that residuals run into our rivers and coastal waters. Other communities are similarly impacted.

Please pass this bond to improve our wastewater treatment systems.
