Agriculture, Conservation and Forestry

"An act to extend funding for the land for Maine's future program."

LD 593

-----This act was presented by 10 senators: 5 democrat and 5 Republican.

Testimony by

Steven Christopher Sheppard - - - submarine veteran/"write-in" candidate
for Republican Governor of Maine.

With every intention I would like to be buried in a grave the sits under the shadows of
the great and awesome Mt. Katahdin in Millinocket, Maine and Baxter State Park.
Buying land will be essential for other projects to come with the state allocated funds
Senators will most likely bond some.

Investments in property need to be made and kept accountable by the state that used
"state allocated" funds to buy the land in the first place.

I just hope there is enough for the Governor to come when they are good enough to
work on Baxter State Park especially.

The old one lane dirt road in Baxter State Park needs to be replaced by a new black
top road soon.
