

Tom Matthews  
DownEast Wood Bank  
LD 1525

I volunteer with DownEast Wood Bank. This past winter we provided seasoned firewood to over 200 families in 7 towns. We are limited on serving more towns due to sufficient inventory. This bill would make it easier to have enough firewood on hand to serve more towns and families. Support from the state level would hopefully encourage other towns in Maine to develop their own Wood Bank to serve their local families.
