Dear Senator Beebe-Center, Representative Hasenfus, Representative Poirier, and
Committee Members,

I am Speaking to express my strong support for LD 1263, An Act Regarding Penalties for Fentanyl Trafficking When That Trafficking Results in an Overdose Causing Serious Bodily Injury of a Person. As the operator of a Scanner Page on Facebook, I witness daily the devastating impact of fentanyl overdoses in our communities. It's heartbreaking to see lives lost to this crisis, and I firmly believe that stricter penalties for fentanyl trafficking are necessary to protect Maine residents.

The alarming rate of overdoses in our state demands action. I urge you to vote ought to pass on LD 1263, holding accountable those who bring this deadly substance into our communities. By passing this bill, we can take a crucial step towards reducing the supply of fentanyl and preventing further tragedies.

I appreciate your dedication to addressing this critical issue and look forward to your decision.

Sincerely,

Cory Reynolds
