LD 252

Hello, My name is Fran X. Szostek from Dixfield, Maine. I am testifying in support of LD 252, An Act to Repeal the National Popular Vote Act. NVP is a law that is very detrimental to the State of Maine. It robs our voice in Presidential elections. The candidates for President will only need to concentrate on big cities for their votes--leaving Maine behind. The Founding Fathers knew what they were doing by creating the Electoral College.
