

Michelle Truman
Hallowell
LD 252

My name is Michelle Truman of Hallowell. I am writing to support LD 252 - An Act to Withdraw from the National Popular Vote Compact.

It is a very bad idea to surrender our electoral votes to whichever candidate happens to win the national popular vote. Let's not submit to what amounts to mob rule! Let's restore the voice of Maine voters in presidential elections.

SUPPORT LD 252. Thank you.
