

Cathy Bryant
Bangor
LD 1481

I support LD 1481 “An Act to Amend the Law Governing Stabilization of Property Taxes on Homesteads of Individuals 65 Years of Age or Older” and LD 1541 “An Act to Provide Property Tax Relief for Senior Residents.”

Maine's property taxes are ridiculously high, and this affects seniors who are on fixed incomes the most.

I support LD 1481 and LD 1541 and they “ought to pass.”
