I am in support of LD 1120 to Promote the Secure Storage of Firearms. There needs to be Safe General Storage of Firearms that protect children who are 16 and 17 years old. Impulsivity is a dynamic of adolescence. Having guns securely stored is a protection that this age population needs to reduce and prevent suicides and accidental injuries. Mass shootings by adolescents have occurred when guns in homes have been unsecured. Supporting Secure Storage of Firearms is a way to promote safety for all people.
