I support LD 1432 “An Act to Implement an Interstate Voter Registration Cross-check Program”.

This is common sense legislation. This bill will help to keep our Maine voter rolls cleaned up. Voter data changes constantly. People move, people die, people change parties. Election/voter integrity has been suspect in past elections. Why would any government/municipality be afraid of transparency?

This bill once enacted into law, would help to restore registered voters’ faith in the fact that those on our voter rolls are supposed to be there.

I support LD 1431 “and it ought to pass.”
