LD 1523

Senator Ingwersen, Representative Meyer, and Honorable Members of the Health and Human Services Committee,

My name is Aaron Moss. I am a resident of Buxton and I am writing in support of LD 1523 An Act to Improve Perinatal Care Through Expanded Access to Doula Services. My wife and I had a doula for the birth of our first child.

I support LD 1523 because it will offer vital help to families having a baby. I didn't realize that the doctor who delivered our baby wouldn't be in the room that much. My wife had a really long labor that lasted several days. It was really nice to have a trusted second hand there to help support my wife. I think it would have been a lot harder on both of us if we didn't have our doula.

Thank you for the opportunity to share my perspective with the Committee. I hope you will vote "Ought to Pass" on LD 1523.

Thank you,
Aaron Moss
