

Testimony in **OPPOSITION** to LD 208 An Act to Eliminated the 72-Hour Waiting Period on Firearm Purchases and LD 1230 An Act to Abolish the 72-Hour Waiting Period for a Gun Purchase

Senator Carney, Representative Kuhn and Members of the Judiciary Committee:

My name is Anne D. (Andy) Burt. I live in Edgecomb.

A year ago I testified in strong support of LD 2238 to enact in Maine a 72-hour waiting period for certain firearm purchases.(copied below) I have not changed my mind. Why would we abolish a policy that research has shown saves lives and does not prohibit a law-abiding and background-checked person 3 days later from purchasing a firearm?

I urge the committee to vote **OUGHT NOT TO PASS** on **LD 208** and **LD 1230**.

Thank you for this opportunity to testify

**Testimony in Support of LD 2224 An Act to Strengthen Public Safety by Improving Maine's Firearm Laws and Mental Health System and LD 2238 An Act to Address Gun Violence in Maine by Requiring a Waiting Period for Certain Firearm Purchases** To: Senator Carney, Representative Moonen, and Members of the Judiciary Committee From: Anne D. (Andy) Burt, 27 Bunchberry Lane, Edgecomb, ME 04556 Dear Senator Carney, Representative Moonen, and Members of the Judiciary Committee: My name is Andy Burt and I live in Edgecomb. I **am writing to testify in strong support of LD 2224 and LD 2238**. I grew up in a hunting family where gun safety was emphasized to me starting at an early age. I also, like other young people, was trained how to safely use a gun. I am deeply concerned that we have become a nation focused on the right to own a gun without focusing on how to do so responsibly. The legislation before you today (LD 2224 and LD 2238) to remove guns from individuals who may endanger themselves or others and get them the help they need, and to improve background checks with a 72-hour waiting period, would improve the safety and well-being for everyone in our communities. Sadly we have watched over and over the tragedy of preventable mass shootings, like the recent one in Lewiston, or suicides, when individuals at risk to society or themselves use guns to end lives and leave families and communities to grieve from the trauma. After the fact, we say we saw the signs the individual was troubled, but our laws have not had the teeth to take action. In Maine and every state, we regulate who should be permitted to drive a vehicle, removing licenses for a period of time from those who have been convicted of driving recklessly, thus prioritizing the safety of the community over convenience to drive...for the safety of all, we should do likewise with guns. The right to bear arms comes with the expectation to do so responsibly. Please vote to make our communities safer. **Vote unanimous OUGHT TO PASS on LD 2224 and 2238**. Thank you for listening

and for your service to our state. Respectfully submitted Anne D. (Andy) Burt
