I am writing in support of LD #1474, An Act to Strengthen the Teaching of Wabanaki Studies in Maine Schools.

Knowing our history is so important in learning to deal with events of today and in the future. It is important for Maine students to understand who lived here before us white people and in particular how well they took care of the land.

It is already the law in fact and needs to be supported and funded. Wabanaki voices must be heard!

I strongly support teaching Wabanaki values and history to all Maine students

Thank you for your time!
