LD 1666

Chair Hickman, Chair Supica, and distinguished members of the Veterans and Legal Affairs Committee.

My name is Anne Gass, I'm a resident of Gray, and I'm writing to urge you to approve LD 1666 as Ought to Pass.

Ranked choice voting is easy to use, and will be far simpler if we apply it to all legislative offices instead of just some. Utilizing it in all races will help to reduce the hyper-partisanship that we're seeing now, because candidates will have to appeal a wider range of voters. We've seen evidence in our own state that in those races where RCV already applies there's a marked improvement in civility.

This is legislation we MUST have. Please vote yes on LD 1666.
