

Marilyn Roper  
Houlton  
LD 1474

Because teaching of Wabanaki history and culture is the law (LD 291), it should be easier for teachers to do so. PLEASE SUPPORT LD 1474 to allow a curriculum to be created for all grade levels at all Maine schools, along with teacher development programs.

Funding should be provided for a permanent position on the DOE re Wabanaki studies and Wabanaki advisors. Thank you.
