LD 1474

Dear committee members,

I'm writing in support of LD 1474. Very importantly, it help the state meet the requirements of state law. As a library clerk, I know how important it is to have good sources that I can trust to answer reference questions and aid collection development. As a parent, I would hope that my child's teacher had easy to find and implement trusted curriculum that they could implement to fulfill both the law and the interest of their students about Wbanaki history.
