In support of LD 1474: An Act to Strengthen the Teaching of Wabanaki Studies in
Maine Schools, Sponsored by Rep. Laurie Osher

Submitted to the Joint Standing Committee on Education and Cultural Affairs
April 22, 2025 at 1:15 pm

Senator Rafferty, Representative Murphy, and Honorable Members of the Education
and Cultural Affairs Committee,

My name is Michelle DeBlois, and I am a resident of Greene, Maine. I am a public
librarian, past Maine public school educator, and the CEO and Founder of ReMo, a
Maine edtech company empowering educators and students around independent
reading. I am testifying in strong support of LD 1474, which seeks to strengthen the
teaching of Wabanaki Studies in Maine Schools.

LD 1474 offers the opportunity to invest in Maine's past, present, and future. I have
seen firsthand the difficulty that Maine educators experience trying to find resources
to support Wabanaki Studies. I also had to learn about the Wabanaki culture and
history for myself. Providing support for educators is crucial for the teaching and
learning of all of our Maine students.

I urge the members of this committee to support LD 1474.

Thank you again for your time and consideration. I am willing to answer any
questions that may arise.

Sincerely,
Michelle DeBlois
