

10: The Honorable Senator Carney
Representative Kuhn and Honorable
Members of the Judiciary Committee
My name is Tom Farrington ^{Waller} of Warren, ME.
I'll write to you to express my strong
support for LD 648 For the
SCCP in Maine. I've spent many years
here at MSP. I've met thousands of men.
Men who've come in Young Men with no idea
who they were or what to do with them
selves. They grow, learn, even overcome
childhood trauma. One Young Man's name
is B. The programing here has given
these men a new outlook about life
and I support LD 648. There is
so much room to grow and the system
has come to a bottle neck that's in need
of being passed. Slowing progress is
only holding back the potential and
growth of our society.
