LD 1656

I URGE you to vote OUGHT TO PASS on LD 1656, An Act to Facilitate Compliance with Federal Immigration Law by State and Local Government Entities. This allows information on the immigration laws to 1. Report violations and 2. In the case of a government entity being involved, the state AG must acknowledge the violation to a Superior Court. If the Superior Court agrees with the AG's findings, they may move forward. If not, they cannot move forward. This is in compliance with the Federal Immigration Laws, as we should be. We may have a lot of freedoms with our state laws to have them as we see fit, however, when it comes to immigrants coming over our borders, that affects the whole of the country. We should be unified around the country on making sure we are keeping our country safe from the bad elements like the perpetrators of 911, who want to take us over and kill us. They and other foreign entities would have no problem doing that if we didn't stay vigilant and follow the laws of our immigration process. Please, help keep our state and our country safe, vote OUGHT TO PASS on LD1656. Thank you!
