LD 38

I support LD 38, LD 397, LD 1149, and LD 1437. I strongly oppose LD 1446.

The first four bills are common sense legislation. We are required to present a photo ID for many reasons. Elections are very important and should require at least the same level of protection.

As for LD 1446, it's completely ridiculous to believe that children should be voting in our elections.

I support LD 38, LD 397, LD 1149, LD 1437, and they "ought to pass."

I strongly oppose LD 1446 and it "ought not to pass."
