

Testimony in Support of

LD 1705 An Act Regarding Adult Education Funding and Oversight

April 29, 2025

Senator Rafferty, Representative Murphy, and distinguished members of the Joint Standing Committee on Education and Cultural Affairs,

The CCSC position on the NMCC campus has been a real blessing to me. I started at NMCC in accounting, but I wasn't sure of myself, and I was very hesitant to get into the job market. I met with the CCSC through her newsletter and our interactions have been nothing but helpful. I am very thankful for the job shadows she arranged for me, as they have shown me the accounting field from several different perspectives. I really appreciate the effort she put into making my career successful. I would be very happy if she could remain on campus to continue helping myself and other students in my position. The CCSC provides invaluable support to underconfident students and wonderful advice on career development. I am thankful for all she has done.

Best,  
Reagan Brown
