Swan's Island
LD 1231

I am writing on behalf of my children, my parents and myself. I am often taking care of two ends of the family tree. My children are in middle school and high school and My parents are in their 70's.

We are so grateful for the privilege to live on Swan's Island. As a mother, it brings me great peace of mind knowing our ferry is docked right down the road, and as a daughter, if need be, could be our lifesaver for my aging parents.
