

Michael Levey
Winthrop
LD 1787

My name is Michael Levey from Winthrop Maine. I support LD 1787. I believe there are substantial benefits from Maine Clean Elections: They create more opportunities for candidates to run; they make elected persons less obligated to big donors; candidates can campaign on issues, in kind and amount, as they see fit, not influenced by self-interested large donors. Candidates for Sheriff, District Attorney, and County Commission should have these benefits.

I thank you
