LD 38

I understand I can speak to the following bills at the same time because they are being heard in the same meeting:

LD 38, LD 397, LD 1149, and LD 1437 and LD 1446.

LD 38, 397, 1149: People should identify themselves legally when they vote. Why not? It is correct. ALL of us have legal ID's. There is no hardship in this and it prevents fraudulent voting.

LD 1437 proposes to amend the Constitution of Maine to specify that only a person who is a citizen of the United States may vote in a state, county or municipal or other local election. This is obvious. It's too bad that we have to codify this but - yes, it must be spelled out. Citizenship counts and is important.

LD 1446: Children voting? There is no reason for this whatsoever. Children under 18 are dependents and not responsible for themselves. Please defeat this ridiculous bill.

I support LD 38, LD 397, LD 1149, LD 1437, and they "ought to pass."

I strongly oppose LD 1446 and it "ought not to pass."
