I am writing in favor of LD 1705 An Act Regarding Adult Education Funding and Oversight.

In my work as a Math Learning Specialist at Kennebec Valley Community College from 2015 to 2023, I witnessed first hand the value of having an Adult Education Career Success Coordinator join our team when providing support to students for their academic success. I believe this collaboration between Adult Ed programs and community colleges also helps encourage students to go to college and to complete their programs, which in turn leads to strong candidates for our work force and community life. Please support the passing of this bill.
