I would like to submit testimony against the passage of LD 1656, "An Act to Facilitate Compliance with Federal Immigration Law by State and Local Government Entities.

I'll be brief, because I know there have been others who have testified against this bill with all of the many reasons to oppose it.

I don't want my tax dollars used to help round up people without due process nor to burden local police with assisting ICE in its inhumane and illegal deportation practices. Please vote "NO."
