LD 1149

Dear Senator Hickman, Representative Supica, and members of the Joint Standing Committee on Veterans and Legal Affairs,

I am testifying in opposition of LD 1149. I oppose this bill because these restrictions can and will harm so many - mostly the disenfranchised. It is unnecessary, costly and creates voter suppression. Maine has safeguards in place to prevent fraud, cyber attacks, and other kinds of foul play that would attempt to subvert our elections.

This proposal seems to be imported to Maine from an out-of-state playbook with massive out of state funding.

Maine has strong voting rights and we don't need additional obstructive laws.. I urge the committee to oppose this bill. Thank you for your time and for the opportunity to testify."
