LD 1149

My name is Susan LoGiudice. I live in Hebron and have been a member of the League of Women Voters for a number of years. I am also a regular Get out the Vote volunteer. I am dismayed by the citizen referendum and resulting LD 1149. The old adage "if it ain't broke, don't fix it" applies here. Thanks in large part to the Secretary of State and the myriad of town and city offices who take their legal responsibilities very seriously, Maine's voting process is generally sound, well run, and without fraud. Unlike some other states, access to voting is reasonable and accessible. Please don't assist our state to take a huge step backwards, making it more difficult for many to vote whether in person or by absentee ballot. I urge you to vote against LD 1149.
